CDG Disc Packs

Buying starter packs or top up packs is a great way to get a good selection of karaoke songs quickly and cheaply. New customers are advised to start with a good varied selection to suit all age groups. You can even choose from different styles and genres of disc packs i.e. 1970s, 80s, 90s etc. Your collection can then be added to by purchasing selected compilations from our individual discs. Don't forget that we can make bespoke compilations for you with your favourite tracks. visit our make your own disc area for more info

If you do not have a CDG player then you may be interested in our DVD Karaoke Area which contains some similar collections of karaoke tracks but in normal DVD format, so you can use your normal home DVD player! [Here is the link to DVD Karaoke](#)
